

CAMS Operation Opt-Out Campaign

This autumn Military Recruiters will be sold the name, address and phone numbers of juniors and seniors in LAUSD unless the Opt Out form is signed and returned by Oct. 23rd.

Operation Opt Campaign

Teachers, students, parents, and community members: Pass out the Opt Out forms at the high schools. The forms can be passed out in front of the school, during homeroom, at parent meetings, by students through campus clubs or handed out during the school day.

Help CAMS collect data by filling out our survey about military recruitment practices in the high schools of LAUSD.

Last year 99,317 forms were returned: 29% of juniors and seniors!

Opt-Out Forms are available at :
