Students and teachers can contact Ed Ellis 323-931-1895 or just show up.

Volunteer hours: 7:30 am- 6:00 pm every Sunday for 2-8 hours depending on service requirements. The two main times to volunteer during the day are for a 3 hour setup or 2 hour take down.

Setup: Erecting markers/involves aligning and measuring out the memorial. Setting up the momentos: involves placing photos and names on markers.

Greeting visitors: This takes place throughout the day and involves inviting the public to honor and remember a soldier by placing a name, flower and or flag on a marker. Greeters also volunteer at the Veterans for Peace table which also provides information on counter recruiting materials.

Taking Down: Closing up the memorial, packing up markers and other equipment and putting it under the pier.
