

Closure Questionnaire for **Addicted To War**

Hey everyone. This is the first time I taught this book. I want your thoughts on how this went. I will share this with other teachers to make it better the next time I teach it.

So, go ahead and answer the questions for me. The more information you give the better.

1) Do you think the book was all true, mostly true, or mostly lies, or all lies?

2) Do you think it is true that our wars make us safer or that they put us in more danger?

3) What new things did you learn from the book?

4) What was the most difficult thing about the book?

5) Did the vocabulary sheets help? How about the crosswords?

6) Would it help to have a guest speaker come in to the class? What kind of speaker?

7) What should I have spent more time on? What did you have a hard time understanding?

8) What was the best part of the book?

9) What was the worst part of the book?

10) Will you share this book with other people?
